The Municipal Council of Hassan has been reconstituted and a President of the Council has to be appointed. The Council has been asking for a non-official President and their request may be granted. It may however be noted that the Council sent up a resolution for the nomination of Mr Mohamed Raza as President of the Council.

[illegible] question was deferred till the re-
consideration of the Council after the expiry of its
term. I think Mr Mohamed Naqi who
has acted as Vice President during the last
term may be nominated as president. The
Municipality has not made a request for
an elected president and the letter in reply
to the address of the Municipal Council in
that last term has not promised that
the Municipal Council the privilege of electing
its own president. The Deputy Commr who was
consulted in the matter says that the privilege
may be given, but is not opposed to the no-
mination by the post of a non-official
President. The Superintendent of the
Sanyasi Raja, Mr Md Naqi and Mr Bowman in the note in which they
are named. The Sanyasi Raja is a
1st grade pleader and the senior
practising at Barisal, Mr Mohamed Naqi
is a retired Asstt Commr and Mr Bowman
is a retired Head Master of the Backer-
gunge and has retired Municipal
Council for the 1st time. However as
the letter of Mr Mohamed Naqi [illegible] it
first that he has acted as Vice President
his nomination as President may
be opposed.

I fear the Raja is not so feeble and to take any advice but will be led - Such reports require some explanation. That also the feeling will be strong. Such I informally pulled by personal inquiry

It will be for the Govt to select whether I am retained by the Govt or the Govt may appoint some one else
